Key Features:

Posturepedic® Classic Coil
Titanium alloy coils provide a reliable balance of cozy comfort and deep down support.

Apex™ Coils
Individually encased titanium alloy coils deliver softer comfort on top and deep-down support while reducing motion transfer between sleep partners.

Apex™ HS Coils
Individually encased titanium alloy coils deliver ultra-conforming support while reducing motion transfer between sleep partners.

Exclusive Silk Fiber
A luxurious natural fiber that regulates heat exceptionally well. Silk helps you maintain a more constant sleeping temperature year round.

Gel Memory Foam (6000's)
A full sheet of gel memory foam hugs your body and helps promote a cool sleeping environment.

OptiCool™ Gel Memory Foam
Crafted with advanced OptiCool™ gel memory foam, which is more effective at removing excess heat than standard gel memory foam alone.

Gel CoreSupport™ Center
The center third of the mattress is power-packed with gel memory foam to support the heaviest part of your body and extend the life of the mattress.

SolidEdge™ System
The edge system creates a solid seating edge and maximizes the usable sleeping surface, giving you a lot more room to stretch.

ActiveFlex™ Comfort Layers
Exclusive pre-compressed foam cradles your body in consistent, long-lasting comfort.

StayTight™ Foundation
A rubberized foundation cover holds sheets in place and stops the mattress from shifting.

Aloft™ Quilt
A new quilt design envelops your body with soft comfort.
