Guide

OrthoZone® II
A propriety foam developed for Sealy with zoned patterns for increased conformance for better support and a more comfortable sleep.

WonderSoft™ Foam
A proprietary quilting foam from Sealy R&D offers deep convolutes which give the quilting layer a more plush feel.

Advant-Edge® PLUS Foam Encasement System
Our unique system is fully integrated with the innerspring and fused to the mattress base to create our most stable, supportive mattress unit.

DuraTech™ Foundation
Vertical Torsion Modules with reinforced corner provide a rigid support for stable innerspring performance.
